BASIC PRINCIPLES

The Chapter and the Union have a common and sympathetic interest in the Electrical Industry. Therefore, a working system and harmonious relations are necessary to improve the relationship between the Chapter, the Union and the Public. Progress in the industry demands a mutuality of confidence between the Chapter and the Union. All will benefit by continuous peace and by adjusting any difference by rational, common sense methods.

In accordance with the Fair Employment Practices Act of the State of California, and other applicable laws, the parties to this Agreement are obligated not to discriminate against employee or applicant for employment because of race, religion, color, age, sex, creed,

national origin or disability.

Now, therefore, in consideration of the mutual promises and agreements herein contained, the parties hereto agree as follows:

MUTUAL POLICIES

It is the understandable right of every contractor to build a strong organization and every workman to be represented by a strong Union.

Both parties to this Agreement shall comply with the provisions of this agreement. Employees will not be removed from the job because of jobsite disputes and all disputes shall be resolved by the grievance procedure contained in Article I.

When the contractor secures a contract, that contract is his property to direct, operate and supervise as he sees best. The contractor shall have the ownership, direction and supervision of the job; the Union shall furnish the workmen employed on the job. The Union or its representatives shall have the representational direction of the workmen employed on the job.

The LA/NECA and IBEW Local 40 should jointly undertake a program of Public Relations and Public Information to alert buyers, and the public alike, as to the many benefits inherent in "QUALITY" union electrical work.

The LA/NECA and IBEW Local 40 should continue to monitor all jobs throughout the local union's geographical jurisdiction to make certain all parties are abiding by the laws.

The LA/NECA and IBEW Local 40 recognize the need to recover, retain, and increase the market share of unionized electrical construction. The customer is our most valuable asset.

ARTICLE I

Section 1.01. This Agreement shall take effect August 1, 2022, and shall remain in effect until July 31, 2023, unless otherwise specifically provided for herein. It shall continue in effect from year to year thereafter, from August 1 through July 31 of each year, unless changed or terminated in the way later provided herein.

Section 1.02.(a) Either party or an Employer withdrawing representation from the Chapter or not represented by the Chapter, desiring to change or terminate this Agreement must provide written notification at least 90 days prior to the expiration date of the Agreement or any anniversary date occurring thereafter.

(b) Whenever notice is given for changes, the nature of the changes desired must be specified in the notice, or no later than the first negotiating meeting, unless mutually agreed otherwise.

(c) The existing provisions of the Agreement, including this Article, shall remain in full force and effect until a conclusion is reached in the matter of proposed changes.

(d) Unresolved issues or disputes arising out of the failure to negotiate a renewal or modification of this Agreement that remain on the 20th of the month preceding the next regular meeting of the Council on Industrial Relations may be submitted jointly or unilaterally to the Council for adjudication. Such unresolved issues or disputes shall be submitted no later than the next regular meeting of the Council following the expiration date of this agreement or any subsequent anniversary date. The Council's decisions shall be final and binding.

(e) When a case has been submitted to the Council, it shall be the responsibility of the negotiating committee to continue to meet weekly in an effort to reach a settlement on the local level prior to the meeting of the Council.

(f) Notice of a desire to terminate this Agreement shall be handled in the same manner as a proposed change.

Section 1.03. This Agreement shall be subject to change or supplement at any time by mutual consent of the parties hereto. Any such change or supplement agreed upon shall be reduced to writing, signed by the parties hereto, and submitted to the International Office of the IBEW for approval, the same as this Agreement.

Section 1.04. There shall be no stoppage of work either by strike or lockout because of any proposed changes in this Agreement or dispute over matters relating to this Agreement. All such matters must be handled as stated herein.

Section 1.05. There shall be a Labor-Management Committee of three (3) representing the Union and three (3) representing the Employers. It shall meet regularly at such stated times as it may decide. However, it shall also meet within forty-eight (48) hours when notice is given by either party. It shall select its own Chairman and Secretary. The Local Union shall select the Union representatives and the Chapter shall select the management representatives.

Section 1.06. All grievances or questions in dispute shall be adjusted by the duly authorized representatives of each of the parties to this Agreement. In the event that these two are unable to adjust any matter within forty-eight (48) hours, they shall refer the same to the Labor-Management Committee.

Section 1.07.All matters coming before the Labor-Management Committee shall be decided by a majority vote. Four (4) members of the Committee, two (2) from each of the parties hereto, shall be a quorum for the transaction of business, but each party shall have the right to cast the full vote of its membership and it shall be counted as though all were present and voting.

Section 1.08.Should the Labor-Management Committee fail to agree or to adjust any matter, such shall then be referred to the Council on Industrial Relations for the Electrical Contracting Industry for adjudication. The Council's decisions shall be final and binding.

Section 1.09.When any matter in dispute has been referred to conciliation or arbitration for adjustment, the provisions and conditions prevailing prior to the time such matters arose shall not be changed or abrogated until agreement has been reached or a ruling has been made.

(b) The stages of the grievance procedure will be as follows, unless a variance is mutually agreed upon by both parties to this agreement. All grievances must be heard within 30 calendar days by the Sub-Committee, starting from the date the parties are formally notified of the grievance. The results of the Sub-Committee hearing will be mailed within two (2) calendar weeks of the hearing. Any decision of the Labor-Management Sub-Committee shall be final and binding. Should the Sub-Committee fail to agree the hearing shall be considered deadlocked and shall be referred to the Full Labor-Management Committee for adjudication.

All matters coming before the Full Labor Management Committee must be heard within thirty (30) calendar days from the date the parties formally receive notification.

Should the Full Labor-Management Committee fail to agree on the resolution of any grievance it shall then be referred to the Council on Industrial Relations for adjudication.

Where the Full Labor Management Committee or Subcommittee finds a party to the grievance in violation and issues an arbitration award for a monetary amount, all sums are to be paid in full within the time specified by the arbitration award. Failure to pay such sums within a timely manner will result in penalties which accrue at the rate of 1 ½ % per month on the principal. Therefore, the penalties resulting from such failure shall be presumed in accordance with the following schedule: 1 ½ % of the principal if late 1-30 days; 3% of the principal if late 31-60 days; 1 ½ % will accrue for each additional thirty days late, up to a maximum of 18% per annum.

Section 1.11 It is mutually agreed that this Agreement prohibits any and all violations of the sections of the California Labor Code that are listed in section 2699.5 of the California Labor Code and would be redressable pursuant to the Labor Code Private Attorneys General Act of 2004 (“PAGA”). Such claims will be resolved exclusively through the procedures set forth in Article I and may not be brought in a court of law or before any administrative agency such as the California Labor Commissioner. This Agreement expressly waives the requirements of PAGA and authorizes the permanent arbitrator to award any and all remedies otherwise available under the California Labor Code, except the award of penalties under PAGA that would be payable to the Labor and Workforce Development Agency.

Section 1.12. The parties agree to the following clarification of the existing practice regarding the grievance procedure under the collective bargaining agreement. The parties agree that the following text does not add new conditions, but explains what has been their historical understanding and interpretation of the existing grievance procedure language. The following text makes the meaning of the existing grievance procedure language clearer:

The parties hereby confirm that all wage and hour claims that may be asserted by any employee who is employed under this Agreement shall be resolved pursuant to the grievance arbitration procedures and not in a court of law. Claims for unpaid overtime and minimum wages, failure to receive all wages due, "waiting time" penalties, missed meal and rest period premiums, reporting pay, unpaid travel and training time, failure to receive proper itemized earnings statements, and any similar or related wage and hour claims shall be resolved exclusively pursuant to the grievance and arbitration procedure set forth in this Agreement, and the arbitrator(s) hearing such statutory claims shall have the full authority to remedy any such violations in the manner provided by law. The specified claims to be resolved under this Agreement are claims based on alleged violations of California IWC Wage Order 16-2001, California Labor Code Sections 201, 202, 203, 204, 226, 226.7, 510, 512, 1194, 1194.2, and 1197. The parties hereby confirm their intent to incorporate each of the foregoing statutory and regulatory provisions into this Agreement, such that a violation of any of them shall be considered a violation of the Agreement.

All grievances shall be brought by the Union alone. All such grievances shall be initiated and processed exclusively by the Union in accordance with the grievance and arbitration provisions in this Agreement, and no employee shall be permitted to file or process any grievances without the approval of the Union. The employees (by and through the Union) shall be provided all substantive rights and remedies available as well as all statute of limitations period(s) under applicable law. It is the goal of the parties to swiftly and fairly address and resolve all employee concerns, and the Employer and Union agree to work swiftly and cooperatively to resolve and remediate, if necessary, any disputes that arise.

Any special terms, conditions, modifications, or amendments so provided by the Union, shall be implemented with regard to the particular job for which they were requested.

Such special terms, conditions, modifications, or amendments shall be made available to all signatory Employers with regard to the particular job in question, but shall not constitute an action subject to the favored nations clause in the Agreement. This provision does not apply to the following fringe benefits and other contributions as provided for in this agreement: NEBF, Local Pension, Training, Health Fund, NEIF and Labor-Management Cooperation Committee. All work performed outside of the stated hours will be paid at the overtime rate.

When time clocks are required by the Employer, employees shall punch such time clocks on the Employer's time. "Signing In," "Badging In," or "Brassing In," is construed as the same as punching a time clock.

(b) (1.) Every employer shall authorize and permit all employees to take rest periods, which insofar as practicable shall be in the middle of each work period. Nothing in this provision shall prevent an employer from staggering rest periods to avoid interruption in the flow of work and to maintain continuous operations, or from scheduling rest periods to coincide with breaks in the flow of work that occur in the course of the workday. The authorized rest period time shall be based on the total hours worked daily at the rate of ten (10) minutes net rest time for every four (4) hours worked, or major fraction thereof. Rest periods shall take place at employer designated areas, which may include or be limited to the employees' immediate work area.

(2.) Rest periods need not be authorized in limited circumstances when the disruption of continuous operations would jeopardize the product or process of the work. However, the employer shall make up the missed rest period within the same workday or compensate the employee for the missed ten (10) minutes of rest time at his/her regular rate of pay within the same pay period.

(3.) A rest period need not be authorized for employees whose total daily work

time is less than three and one-half (3 ½) hours. Authorized rest period time shall be counted as hours worked for which there shall be no deduction from wages.

(4.) If an employer fails to provide an employee a rest period in accordance with the applicable provisions of this order, the employer shall pay the employee one (1) hour of pay at the employee's regular rate of compensation for each workday that the rest period is not provided.

(c). The contractor may implement the rest periods described in Section 3.01(b) in any manner consistent with the California Department of Industrial Relations' interpretation for implementing rest periods under Industrial Wage Order 16.

Section 3.02.(a) Where required by the job conditions, the contractor or the Union may request a job site conference with the contractor, the authorized representative of the Local Union and LA/NECA to resolve job site conditions. Should the authorized representatives be unable to mutually agree or resolve the conditions, they shall be referred to the procedure outlined in Article I.

(b) Where multiple reporting locations are utilized, the men shall report to their assigned reporting location on their own time, and shall be allowed adequate pickup time and will leave the reporting location at quitting time.

(c) In accordance with Industrial Welfare Commission order no. 16-2001, Article (D), this collective bargaining agreement expressly provides the terms and conditions regarding reporting time pay.

(d) All overtime prior to normal shift will be paid at double the straight time rate of pay.

(e) No work shall be performed on Labor Day, except in case of emergency and then only after permission is granted by the Business Manager of the Union.

(f) Any employee working non-scheduled overtime shall be paid a two (2) hour minimum (call out only.)

Any employer who is signatory to this agreement shall not be required to comply with said statute, ordinance, rule, law or regulation, and any employee covered by this agreement shall not have any right or cause of action against any signatory employer or Local 40 for violation of said statute, ordinance, rule, law or regulation.

The employee must request the review in writing to the Union and the Employer to initiate an employment status review. Review meetings between the Union and the Association will be held twice a year. Employees requesting a review will be scheduled to attend the next regularly scheduled meeting.

Section 4.25 An employer shall have the right to recall for employment any former employee that the employer has laid off, provided that:

The former employee is in the highest level Group on the referral list containing applicants available for work, regardless of the individual’s position on the list; or, if the former employee is a CW/CE, he or she is available for assignment regardless of the individual’s position on the list;

The recall is made within 30 days from the time of layoff;

The former employee has not quit his most recent employer under this agreement within the two weeks prior to the recall request;

And the former employee is not an apprentice.

ARTICLE V Joint Apprenticeship and Educational Training Committee

Section 5.01 There shall be a local Joint Apprenticeship and Training Committee (JATC) consisting of a total of 6 members who shall also serve as trustees to the local apprenticeship and training trust. An equal number of members (3) shall be appointed, in writing, by the local chapter of the National Electrical Contractors Association (NECA) and the local union of the International Brotherhood of Electrical Workers (IBEW).

The local apprenticeship standards shall be in conformance with national guideline standards and industry policies to ensure that each apprentice has satisfactorily completed the NJATC required hours and course of study. All apprenticeship standards shall be registered with the NJATC before being submitted to the appropriate registration agency.

The JATC shall be responsible for the training of apprentices, journeymen, installers,

technicians, and all others (unindentured, intermediate journeymen, etc.)

Section 5.02 All JATC member appointments, reappointments, and acceptance of appointments shall be in writing. Each member shall be appointed for a 3 year term, unless being appointed for a lesser period of time to complete an unexpired term. The terms shall be staggered, with one (1) term from each side expiring each year. JATC members shall complete their appointed term unless removed for cause by the party they represent or they voluntarily resign. All vacancies shall be filled immediately.

The JATC shall select from its membership, but not both from the same party, a Chairman and a Secretary who shall retain voting privileges. The JATC will maintain one (1) set of minutes for JATC committee meetings and a separate set of minutes for trust meetings.

The JATC should meet on a monthly basis and also upon the call of the Chairman.

Section 5.03 Any issue concerning an apprentice or an apprenticeship matter shall be referred to the JATC for its review, evaluation, and resolve; as per standards and policies. If the JATC deadlocks on any issue, the matter shall be referred to the Labor-Management Committee for resolution as outlined in Article One of this Agreement; except for trust fund matters, which shall be resolved as stipulated in the local trust instrument.

Section 5.04 There shall be only one (1) JATC and one (1) local apprenticeship and training trust. The JATC may, however, establish joint subcommittees to meet specific needs, such as residential or telecommunications apprenticeship. The JATC may also establish a subcommittee to oversee an apprenticeship program within a specified area of the jurisdiction covered by this agreement.

All subcommittee members shall be appointed, in writing by the party they represent. A subcommittee member may or may not be a member of the JATC.

Section 5.05 The JATC may select and employ a part-time or a full-time Training Director and other support staff, as it deems necessary. In considering the qualifications, duties, and responsibilities of the Training Director, the JATC should review the Training Director's Job Description provided by the NAJTC. All employees of the JATC shall serve at the pleasure and discretion of the JATC.

Section 5.06 To help ensure diversity of training, provide reasonable continuous employment opportunities, and comply with apprenticeship rules and regulations, the JATC, as the program sponsor, shall have full authority for issuing all job training assignments and for transferring apprentices from on employer to another. The employer shall cooperate in providing apprenticeships with needed work experiences. The local union referral office shall be notified, in writing, of all job training assignments. If the employer is unable to provide reasonable continuous employment for apprentices, the

JATC is to be so notified.

Section 5.07 All apprentices shall enter the program through the JATC as provided for in the registered apprenticeship standards and selection procedures.

An apprentice may have their indenture canceled by the JATC at any time prior to completion as stipulated in the registered standards. Time worked and accumulated in apprenticeship shall not be considered for local union referral purposes until the apprentice has satisfied all conditions of apprenticeship. Individuals terminated from apprenticeship shall not be assigned to any job in any classification, or participate in any related training, unless they are reinstated in apprenticeship as per the standards, or they qualify through means other than apprenticeship, at sometime in the future, but no sooner than two years after their class has completed apprenticeship, and they have gained related knowledge and job skills to warrant such classification.

Section 5.08 The JATC shall select and indenture a sufficient number of apprentices to meet local manpower needs. The JATC is authorized to indenture the number of apprentices necessary to meet the job site ratio as per Section 5.12.

Section 5.09 Though the JATC cannot guarantee any number of apprentices; if a qualified employer requests an apprentice, the JATC shall make every effort to honor the request. If unable to fill the request within ten (10) working days, the JATC shall select and indenture the next available person from the active list of qualified applicants. An active list of qualified applicants shall be maintained by the JATC as per the selection procedures.

Section 5.10 To accommodate short-term needs when apprentices are unavailable, the JATC shall assign unindentured workers who meet the basic qualifications for apprenticeship. Unindentured workers shall not remain employed if apprentices become available for OJT assignment. Unindentured workers shall be used to meet job site ratios except on wage-and-hour (prevailing wage) job sites.

Before being employed, the unindentured person must sign a letter of understanding with the JATC and the employer - agreeing that they are not to accumulate more than two thousand (2,000) hours as an unindentured, that they are subject to replacement by indentured apprentices, and that they are not to work on wage-and-hour (prevailing wage) job sites.

Should an unindentured worker be selected for apprenticeship, the JATC will determine, as provided for in the apprenticeship standards, if some credit for hours worked as an unindentured will be applied toward the minimum OJT hours of apprenticeship.

The JATC may elect to offer voluntary related training to unindentured; such as Math Review, English, Safety, Orientation/Awareness, introduction to OSHA, First-Aid and

CPR. Participation shall be voluntary.

Section 5.11 The employer shall contribute to the local health and welfare plans and to the National Electrical Benefit Fund (NEBF) on behalf of all apprentices and unindentured. Contributions to other benefit plans may be addressed in other sections of this agreement.

Section 5.12 Each job site shall be allowed a ratio of two (2) apprentices for every three (3) Journeyman Wiremen or fraction thereof as illustrated below.

Number of Journeymen	Maximum Number of Apprentices/Unindentured
1 to 3	2
4 to 6	4
etc.	etc.

The first person assigned to any job site shall be a Journeyman Wireman.

A job site is considered to be the physical location where employees report for their work assignments. The employer's shop (service center) is considered to be a separate, single job site. All other physical locations where workers report for work are each considered to be a single, separate job site.

Section 5.13 An apprentice is to be under the supervision of a Journeyman Wireman at all times. This does not imply that the apprentice must always be in-sight-of a Journeyman Wireman. Journeymen are not required to constantly watch the apprentice. Supervision will not be of a nature that prevents the development of responsibility and initiative. Work may be laid out by the employer's designated supervisor or journeyman based on their evaluation of the apprentice's skills and ability to perform the job tasks. Apprentices shall be permitted to perform job tasks in order to develop job skills and trade competencies. Journeymen are permitted to leave the immediate work area without being accompanied by the apprentice.

Apprentices who have satisfactorily completed the first four years of related classroom training using the NJATC curriculum and accumulated a minimum of 6,500 hours of OJT with satisfactory performance, shall be permitted to work alone on any job site and receive work assignments in the same manner as a Journeyman Wireman. An apprentice shall not be the first person assigned to a job site and apprentices shall not supervise the work of others.

Section 5.14 Upon satisfactory completion of apprenticeship, the JATC shall issue all graduating apprentices an appropriate diploma from the NJATC. The JATC shall encourage each graduating apprentice to apply for college credit through the NJATC. The JATC may also require each apprentice to acquire any electrical license required for journeymen to work in the jurisdiction covered by this agreement.

Section 5.15 The parties to this Agreement shall be bound by the Local Joint Apprenticeship and Training Trust Fund Agreement which shall conform to Section 302 of the Labor-Management Relations Act of 1947 as amended, ERISA, and other applicable regulations.

The Trustees authorized under this Trust Agreement are hereby empowered to determine the reasonable value of any facilities, materials or services furnished by either party. All funds shall be handled and disbursed in accordance with the Trust Agreement.

Section 5.16 All employers subject to the terms of this Agreement shall contribute the amount of funds specified by the parties signatory to the local apprenticeship and training trust agreement. For the current rate of contribution refer to Article III, Section 3.05 of this agreement. This sum shall be due the Trust Fund by the same date as is their payment to the NEBF under the terms of the Restated Employees Benefit Agreement and Trust.

ARTICLE VI National Employees Benefit Fund

Section 6.01. It is agreed that in accord with the Employees Benefit Agreement of the National Electrical Benefit Fund ("NEBF"), as entered into between the National Electrical Contractors Association and the International Brotherhood of Electrical Workers on September 3, 1946, as amended, and now delineated as the Restated National Employees Benefit Agreement and Trust, that unless authorized otherwise by the NEBF, the individual employer will forward monthly to the NEBF's designated local collection agent an amount equal to three percent (3%) of the gross monthly labor payroll, paid to, or accrued by, the employees in this bargaining unit, and a completed payroll report prescribed by the NEBF. The payment shall be made by check or draft and shall constitute a debt due and owing to the NEBF on the last day of each calendar month, which may be recovered by suit initiated by the NEBF or its assignee. The payment and the payroll report shall be mailed to reach the office of the appropriate local collection agent not later than fifteen (15) calendar days following the end of each calendar month.

The individual Employer hereby accepts, and agrees to be bound by, the Restated Employees Benefit Agreement and Trust.

An individual Employer who fail to remit as provided above shall be additionally subject to having his agreement terminated upon seventy-two (72) hours notice, in writing, being served by the Union, provided the individual Employer fails to show satisfactory proof that the required payments have been paid to the local collection agent.

The failure of an individual Employer to comply with the applicable provisions of the Restated Employees Benefit Agreement and Trust shall also constitute a breach of his labor agreement.

ARTICLE VII
National Electrical Industry Fund

Section 7.01. Each individual Employer shall contribute an amount not to exceed one percent (1%) nor less than .2 of one percent (1%) of the productive electrical payroll as determined by each Local Chapter and approved by the Trustees, with the following exclusions:

1. Twenty-five percent (25%) of all productive electrical payroll in excess of 75,000 man-hours paid for electrical work in any one Chapter area during any one calendar year, but not exceeding 150,000 man-hours.

2. One Hundred percent (100%) of all productive electrical payroll in excess of 150,000 man-hours paid for electrical work in any one Chapter area during any one calendar year.

(Productive electrical payroll is defined as the total wages including overtime paid with respect to all hours worked by all classes of electrical labor for which a rate is established in the prevailing labor area where the business is transacted.)

Payment shall be forwarded monthly to the National Electrical Industry Fund in a form and manner prescribed by the Trustees no later than fifteen (15) calendar days following the last day of the month in which the labor was performed. Failure to do so will be considered a breach of this Agreement on the part of the individual Employer.

Payroll and Fringe Benefits Guarantee Trust Fund

Section 7.10. Each electrical contractor employing workmen under the terms of this Agreement shall deposit Five Hundred Dollars (\$500.00), free of interest, for a payroll and fringe benefits guarantee up to Seventy-Five Thousand Dollars (\$75,000.00) of payroll, but not over that amount, with the Trustees who shall function under a Trust Agreement to be agreed upon between the parties. If at any time, the interest accrued in the Payroll and Fringe Benefits Guarantee Trust Fund is depleted, each signatory contractor shall make an additional deposit into such fund of any amount up to One Hundred Dollars (\$100.00), making a total of Six Hundred Dollars (\$600.00) maximum. Notice of such additional deposit shall be given by the Labor-Management Committee.

Net payroll checks shall be paid by the Electrical Industry Payroll and Fringe Benefits Guarantee Trust Fund to be agreed upon between the parties. Net payroll checks shall be paid by the Electrical Industry Payroll and Fringe Benefits Guarantee Trust Fund in a total amount not to exceed Five Thousand Dollars (\$5,000) maximum per employee.

A contractor who makes the payroll and fringe benefits deposit, and pays wages and

fringe benefits to employees covered by this agreement, shall be absolved from all responsibilities with respect thereto. This payroll and fringe benefits deposit is in no respect a bond covering the contractor's payroll and fringe benefits obligation, but only an emergency fund to relieve employees' financial strain caused by issuing of bad checks or failure of contractors to meet payroll, or failure of contractors to make fringe benefit contributions as provided in this agreement. If the contractor defaults in the foregoing, his/her liability shall be as set forth in the Trust Agreement but shall, in any event, include the following:

(1) The contractor shall be liable for cost of enforcing collection, including but not limited to court costs, attorney fees, loss of earnings of an employee not paid, fringe benefits lost to an employee and any other expenses as determined by the Trustees to be the fault of such delinquent contractor.

(2) The Trustees are authorized to institute whatever federal or state, civil or criminal actions as are necessary to enforce collection. Upon collection of defaulted payroll, or bad check, employees must reimburse the Payroll and Fringe Benefits Guarantee Trust Fund. Employees shall cooperate in every manner in regard to the collection of defaulted payroll, as requested by the Trustees.

(3) The contractor must, within five (5) calendar days after notice from the Business Manager of Local Union No. 40, IBEW, make good any defaulted wages to his/her employees.

(4) On the first default of payroll payments and/or fringe benefit payments the defaulting contractor shall, upon notice from the Trustees, furnish a surety or cash bond in an amount of Five Thousand Dollars (\$5,000) as guarantee that wage payments and fringe benefit payments will be regularly made. On the second default of payroll and/or fringe benefit payments, the defaulting contractor shall furnish a bond or equivalent of at least Ten Thousand Dollars (\$10,000). The amount of bond may also be set by the Trustees by using the following formula:

Four (4) times the weekly wages and fringe benefits for all of said signatory contractor's employees covered by this agreement.

However, the amount of bond required in this instance shall not be less than Ten Thousand Dollars (\$10,000). Failure to furnish the above-referred-to bond shall constitute cause for immediate cancellation of the Collective Bargaining Agreement at the option of the Local Union and the processing of all legal procedures necessary to enforce collection of defaulted amount, plus collection costs and interest involved. It shall not be a violation of this Agreement for the Union to refuse to permit persons covered by this Agreement to work on said job or project until all such wages and/or fringe benefits have been paid.

(5) Whenever a contractor has definite knowledge that he is taking over a contract

for a job that has been partially completed by another contractor, he/she shall notify the Local Union, in writing, in the area before starting work.

(6) Rules, regulations and operations of the Payroll and Fringe Benefits Guarantee Trust Fund are as set forth in the Trust Agreement.

Should the balance of the fund become lower than \$500,000, the parties shall discuss and take further actions to protect the fund.

Fringe Benefits Pension Fund - Contributions

Section 7.20. (a.) Each signatory contractor shall contribute to the IBEW Local Union 40 - NECA Pension Trust Fund the amount established under Article III, Section 3.05 of this agreement per hour for each hour worked by each employee covered by this Agreement, except apprenticeship classifications (See Wage Scales - Article III, Section 3.05.)

(b.) The parties agree to the establishment of a 401(k) pension plan. Each employee may make an additional voluntary contribution in any single-dollar increment from \$1.00 to \$7.00 to the 401(k) pension plan. Employees may adjust the amount of their contributions twice per year, in the first pay period in February and the first pay period in July. Clerical errors are not grievable.

Section 7.21. A Board of Trustees for the Pension Trust Fund is hereby established, and shall consist of an equal number of members selected by the Union and the Chapter. The Board of Trustees is hereby authorized to establish and implement such Trust Fund Pension Plan, Trust Agreement and reporting forms as they consider necessary to the finalization of the Pension Plan.

Section 7.22. All disbursements shall be in accordance with the Trust Agreement. The cost of implementing and the administration of the Pension Plan and Trust, including legal fees, bonding of Trustees, postage, printing, etc., shall be borne by and from the Pension Trust Fund.

Section 7.23. This Pension Fund, including employer contributions, shall be irrevocable except by mutual consent of the parties to this Collective Bargaining Agreement. Mutual consent, as used herein is defined as: A three-fourths (3/4) majority vote of the total employees covered by the plan, and a like vote of the Employers, with subsequent conformity to Section 1.03 of Article I. The provisions of the plan trust and documents shall have control as to plan benefits and rights not specifically addressed herein.

Section 7.24. Any signatory contractor that defaults in making contributions to the Pension Fund shall be liable for all collection and litigation expenses, including reasonable

attorney's fees, court costs, liquidated damages and audit fees and expenses, as well as interest at the legal rate.

Section 7.31. A Board of Trustees for the Health Trust Fund is hereby established and shall consist of an equal number of members selected by the Union and the Chapter. The Board of Trustees is hereby authorized to establish and implement such Trust Fund, Health Fund Trust Agreement and reporting forms as they consider necessary to the finalization of the Health Fund.

Section 7.32. All disbursements shall be in accordance with the Trust Agreement. The cost of implementing and the administration of the Health Fund and Trust, including legal fees, bonding of Trustees, postage, printing, etc., shall be borne by and from the Health Trust Fund.

Section 7.33. This Health Fund Plan, including employer contributions, shall be irrevocable except by mutual consent of the parties to this Collective Bargaining Agreement. Mutual consent, as used herein, is defined as: A three-fourths (3/4) majority vote of the total employees covered by the Plan, and a like vote of the Employers, with subsequent conformity to Section 1.03 of Article I. The provisions of the plan trust and documents shall have control as to plan benefits and rights not specifically addressed herein.

Section 7.34. Any signatory contractor that defaults in making contributions to the Health Trust Fund shall be liable for all collection and litigation expenses, including reasonable attorney's fees, court costs, liquidated damages and audit fees and expenses, as well as interest at the legal rate.

Section 7.35. This Health Plan and Trust Document will comply with and conform to all applicable laws.

IBEW 401K Plan

Section 7.45.The Parties to this Agreement hereby agree to implement by mutual agreement the IBEW 401K Plan.

Administrative Maintenance Fund

Section 7.49.Each employer covered by this agreement shall contribute one-half of one percent (.5%) of their productive electrical payroll to the AMF.

Productive electrical payroll is defined as the total wages paid with respect to all hours worked by all classes of electrical labor covered by this agreement.

The AMF shall be administered solely by the Association and is for the purpose of labor contract administration performed on behalf of all signatory employers, including negotiations, labor relations, resolving labor disputes and grievance representation and for all other administrative functions required of management such as service on all funds as required of management such as service on all funds are required by federal law.

The AMF contribution shall be submitted with all other fringe benefits, as delineated in the Labor Agreement, by the tenth (10th) day of the following month in which they are due, to the Administrator receiving said funds. In the event any Employer is delinquent in submitting the required AMF contribution to the designated Administrator, the Administrator shall have the authority to recover any funds, along with all cost incurred collecting the delinquent funds, including but not limited to attorney fees, court cost, interest at one percent (1%) per month and liquidated damages. The enforcement for delinquent payments shall be the sole responsibility of the AMF or the employer and not the Local Union. These monies shall not be used to the detriment of the Local Union or the IBEW.

Time of Contributions and Monthly Reports, Delinquency or Failure to Make Contributions or to File Reports of all Funds

Section 7.51 Contributions to each of the foregoing Funds shall be due and payable on or before the tenth (10th) day of each month covering hours worked by each employee through the last payroll period in the prior calendar month. Each contractor shall file a monthly report with each Fund in the form established by the Fund, and such report shall be filed regardless of whether a contractor has employed any employees in the month covered by the report.

Section 7.52 Any contractor who fails to report or to make contributions due to any foregoing Fund before the fifteenth (15th) day of the month in which it is due, or who issues a non-sufficient check shall be considered delinquent and, therefore, obligated and liable and subject to the following:

Each delinquent contractor shall pay to the Fund involved liquidated damages in the amount of:

1.5% of the principal if late one (1) to thirty (30) days;
3% of the principal if late thirty-one (31) to sixty (60) days;

The Trustees of the Fund involved shall, within sixty (60) days after a contractor is delinquent, instruct legal counsel to institute legal action to enforce collection. A delinquent contractor shall pay all collection and litigation expenses, including reasonable attorney's fees, court costs, liquidated damages, audit fees and expenses, as well as interest and other expenses incurred in the enforcing of collection from such contractor, and each contractor shall make applicable books and records available for such purpose. Collection actions may be brought by the Trustees of the Fund in the name of the Fund, or in the name of the Trustees or in the name of any assignee, or agent as determined by the Trustees.

A delinquent contractor shall be liable to any employee affected by such delinquency for a sum equal to the value of the benefits lost to the employee by reason of delinquency of such contractor. A delinquent contractor shall be liable to reimburse any Fund for the cost or value of any benefits which may be made available by the Trustees to any employee affected by the failure of the delinquent contractor to contribute or to report to the Health Fund or to the Pension Fund or to any other Fund.

Individual Employers who fail to remit as provided above shall be additionally subject to having this Agreement terminated upon seventy-two (72) hours notice, in writing, being served by the Union, provided the individual Employer fails to show satisfactory proof that the required payments have been paid to the Local Secretary-Treasurer.

A contractor may be absolved of any or all of the foregoing liabilities if he/she satisfies the Trustees that he/she failed to pay any contributions or to report because of honest mistake, clerical error, or other reasons satisfactory to the Board of Trustees.

Whenever a contractor claims that his/her failure to make the required contributions was due to honest mistake or clerical error, and requests relief for that reason, it shall be considered provided the contractor agrees in writing to an audit of his/her records by an auditor appointed by the Board of Trustees. If the audit reveals to the Trustees that such failure to pay was not due to honest mistake or clerical error, then the contractor shall pay the cost of the audit; otherwise, the Trust Fund will pay for the cost of the audit. Any contractor shall be entitled to credit for or refund of money paid to any Trust Fund by reason of clerical error or mistake and the Trustees are authorized to refund such monies. The acceptance of any contributions from any contractor shall not release or discharge him/her from the obligations to contribute for all hours worked under this Agreement for which no contribution has actually been received notwithstanding any statement, restriction or

qualification appearing on any check from any contractor.

The following Trust Agreements are binding on all contractors employing persons covered by this Agreement:

1. Pension Trust Agreement; Health Trust Agreement; Joint Apprenticeship and Educational and Training Trust Agreement; Payroll and Fringe Benefits Guarantee Trust Fund Agreement; the Labor-Management Cooperation Committee.

2. Each contractor party hereto agrees to be bound by all of the obligations imposed upon the individual contractor by said Agreement. Each contractor making contributions to each of said Funds hereby agrees that by so doing, and hereby does irrevocably designate and appoint the Employer-designated Trustees mentioned in each of said Trust Agreements, as Trustees authorized to act in his behalf pursuant to said Trust Agreements, and irrevocably ratifies the designation, selection, appointment, removal and substitution of Trustees as provided in each of said Trust Agreements.

Each contractor becoming a party to this Agreement authorizes the Trustees functioning under said Trust Agreements and the parties hereto to obtain rulings before any court or agency concerning any tax or other aspect of this Agreement, or any of the foregoing Trust Agreements, and to comply with the filing or reporting requirements of any applicable law, in behalf of all persons covered thereby.

Section 7.53. It is contemplated and understood that the Pension Plan and Health Plan created hereunder, and any trust which may be established in connection therewith, shall at all times.

(a) Be and remain a qualified plan, payments to which are deductible to the contractors, and not current income to the employees, under the United States Internal Revenue Act of 1954, the Revenue and Taxation Code of the State of California, and the Bank and Corporation Tax Law of the State of California.

(b) Be and remain such that it complies with the provisions of the California Retirement Systems Act (if applicable), the Labor-Management Relations Act of 1947, as amended, the Federal Welfare and Pension Plans Disclosure Act, and this Agreement, and as they may be amended from time to time, together with any other applicable valid State laws or rules or regulations.

(c) Be and remain such that contributions to the Pension Plan and Health Plan shall not be a part of the "regular rate" at which any employee is employed, according to the terms of the United States Fair Labor Standards Act and the Regulations and Interpretations of it, and shall not be subject to deductions for state or federal income tax purposes, or under or for the purposes of the California Unemployment and Disability Insurance Act, the Federal

Unemployment Tax Act, the Social Security Act, or the Federal Insurance Contributions Act, or any similar legislation.

(d) To this end, the parties agree that they will, from time to time, promptly adopt such amendments or take such other steps as to make the provisions of the Pension Plan and Health Plan and its administration clearly conform to these laws, rules and regulations including, if necessary, amendments with retroactive effect as the circumstances may require.

(e) It is further understood that the contractor's sole obligation hereunder, and under each Plan and Trust, shall be to make such contributions as are required hereunder, and that benefits payable under the Pension Plan and Health Plan and Trusts shall be determined on a money purchase basis, or on any other basis that is actuarially sound in relation to the required contributions.

Section 7.54. A delinquent contractor shall be cited before the Labor-Management Committee in accord with Article VII, Section 7.55 by the Trustees or their designated representative, or any authorized party to the Agreement under the following circumstances:

1. Issuing a check with insufficient funds in payment of wages, fringe benefits or other contributions as required by the terms and conditions of this agreement.
2. Failure to transmit a contribution report form when due.
3. Refusing to permit audit entry upon the request of the trustees of any trust.
4. Failure to pay wages or contributions as disclosed by an audit performed at the request of the trustees of any trust.

(a) Notice of hearing shall be sent at least ten (10) days prior to the scheduled hearing date.

(b) Notice shall be sent to the Employer at the address appearing on this Agreement or any Letter of Assent, or on the list of the Secretary of the Labor-Management Committee, which address shall be the recognized address for the giving of notice. The signatory parties hereto agree that service of the charges, the notice of hearing before the Labor-Management Committee and notice of the decision of the Labor-Management Committee shall be deemed to have been properly served upon the party cited if it is sent by Certified Mail, return receipt requested, to said Employer's recognized address. The signatory parties hereto agree that the recognized address shall be the last known address of the person cited, and the person cited agrees that service at the recognized address will be deemed sufficient both for notice of hearing and of the decision of the Labor-Management Committee. It shall be the affirmative duty of each signatory party hereto to keep the Local Union advised of said person's last known address if said address is different from that appearing on this Agreement or any Letter of Assent. The signatory parties hereto waive

any claim that they were not served properly if service as described above was made in accord with this Section.

Section 7.55.The procedures of the Labor-Management Committee, with regard to the failure to pay contributions or refusal to permit audit entry upon request of the Trustees of any Trust are set forth in Article VII, Section 7.54.

Section 7.56.The Labor-Management Committee shall have the right not only to determine whether there has been a violation of this Agreement, but shall also have the right to devise an appropriate remedy consistent with the interpretation and application of this Agreement, including allowance of attorney's fees, cost of enforcement and interest from the date of decision, if court proceedings are required to enforce the decision. In addition, the Labor-Management Committee shall have the right to determine whether a party cited before these bodies has been properly cited and whether the provisions for notice have been complied with. The Labor-Management Committee shall have the further right to determine whether a party is signatory to this Agreement, whether any particular dispute is subject to the grievance procedure of this Agreement; and shall have the right to determine any and all defenses and contentions, legal or otherwise, raised by any person. Upon the rendering of the decision by the Labor-Management Committee, the Chairman and Secretary may execute any written award on behalf of all the members of the Committee.

Section 7.57 The Labor-Management Committee may delegate any or all of its powers and duties to the Labor-Management Subcommittee which body shall have authority to hear and determine grievances with the same force and effect of the Labor-Management Committee. Any decision of the Labor-Management Subcommittee is final and binding. Should the Sub-Committee fail to agree, the hearing shall be considered deadlocked and shall be referred to the Full Labor-Management Committee for adjudication.

ARTICLE VIII

new and innovative joint approaches to achieving organizational effectiveness;

- 3) to assist workers and employers in solving problems of mutual concern not susceptible to resolution within the collective bargaining process;
- 4) to study and explore ways of eliminating potential problems which reduce the competitiveness and inhibit the economic development of the electrical construction industry;
- 5) to sponsor programs which improve job security, enhance economic and community development, and promote the general welfare of the community and industry;
- 6) to engage in research and development programs concerning various aspects of the industry, including, but not limited to, new technologies, occupational safety and health, labor relations, and new methods of improved production;
- 7) to engage in public education and other programs to expand the economic development of the electrical construction industry;
- 8) to enhance the involvement of workers in making decisions that affect their working lives; and,
- 9) to engage in any other lawful activities incidental or related to the accomplishment of these purposes and goals.

Section 8.02. The Fund shall function in accordance with, and as provided in, its Agreement and Declaration of Trust and any amendments thereto and any other of its governing documents. Each Employer hereby accepts, agrees to be bound by, and shall be entitled to participate in the LMCC, as provided in said Agreement and Declaration of Trust.

Section 8.03. Each employer shall contribute the amount established under Article III, Section 3.05 of this agreement per hour for each hour worked by each employee covered by this Agreement. Payment shall be forwarded monthly, in a form and manner

prescribed by the Trustees, no later than fifteen (15) calendar days following the last day of the month in which the labor was performed. The Los Angeles County Chapter, NECA, or its designee, shall be the collection agent for this Fund.

Section 8.04. If an Employer fails to make the required contributions to the Fund, the Trustees shall have the right to take whatever steps are necessary to secure compliance. Such amount shall be added to and become a part of the contributions due and payable, and the whole amount due shall bear interest at the rate of ten percent (10%) per annum until paid. The Employer shall also be liable for all costs of collecting the payment together with attorneys' fees.

construction industry:

Section 9.02 The Fund shall function in accordance with, and as provided in, its Agreement and Declaration of Trust, and any amendments thereto and any other of its governing documents. Section 9.03 Each Employer shall contribute one cent (\$0.01) per hour worked under this Agreement up to a maximum of 150,000 hours per year. Payment shall be forwarded monthly, in a form and manner prescribed by the Trustees, no later than fifteen (15) calendar days following the last day of the month in which labor was performed. The Los Angeles County Chapter, NECA, or its designee, shall be the collection agent for this Fund.

Section 9.04 If an Employer fails to make the required contributions to the Fund, the Trustees shall have the right to take whatever steps are necessary to secure compliance. In the event the Employer is in default, the Employer shall be liable for a sum equal to 15% of the delinquent payment, but not less than the sum of twenty dollars (\$20), for each month payment of contributions is delinquent to the Fund, such amount being liquidated damages and not penalty, reflecting the reasonable damages incurred by the Fund due to the delinquencies of the payments. Such amounts shall be added to and become a part of the contributions dues and payable, and the whole amount due shall bear interest at the rate of ten Percent (10%) per annum until paid. The Employer shall also be liable for all costs of

collecting the payment together with attorneys' fees.

ARTICLE X Safety - Job Safety

Section 10.01 On all energized circuits or equipment carrying 480 volts or over, as a safety measure, two (2) or more journeymen must work together, one (1) standing by wearing rubber gloves.

Section 10.02 All drivers and passengers riding in Company vehicles must comply with CAL/OSHA Safety Standards.

Insurance

Section 10.05 Electrical contractors shall post in every truck, and on every job, the name of their Workers' Compensation and Disability Insurance Carriers, and a list of doctors and medical facilities available in case of job injury.

Drug Awareness Program

Section 11.01 The dangers and costs that alcohol and other chemical abuses can create in the electrical contracting industry in terms of safety and productivity are significant. The parties to this Agreement resolve to combat chemical abuse in any form and agree that, to be effective, programs to eliminate substance abuse and impairment should contain a strong rehabilitation component. The local parties recognize that the implementation of a drug and alcohol policy and program must be subject to all applicable federal, state, and local laws and regulations. Such policies and programs must also be administered in accordance with accepted scientific principles, and must incorporate procedural safeguards to ensure fairness in application and protection of legitimate interests of privacy and confidentiality. To provide a drug-free workforce for the Electrical Construction Industry, each IBEW local union and NECA chapter shall implement an area-wide Substance Abuse Testing Policy. The policy shall include minimum standards as required by the IBEW and NECA. Should any of the required minimum standards fail to comply with federal, state, and/or local laws and regulations, they shall be modified by the local union and chapter to meet the requirements of those laws and regulations.

Section 11.02. This Collective Bargaining Agreement shall supersede the requirements of Chapter 2.203 (Contractor Employee Jury Service) of the Los Angeles County Code.

Section 12.01. The parties to this Agreement recognize that to meet the needs of our customers, both employer and employee must meet the highest levels of performance, professionalism, and productivity. The Code of Excellence has proven to be a vital element in meeting the customers' expectations. Therefore each IBEW local union and NECA chapter shall implement a Code of Excellence Program. The program shall include

minimum standards as designed by the IBEW and NECA.

Separability Clause

Should any provision of this Agreement be declared illegal by any court of competent jurisdiction, such provisions shall immediately become null and void, leaving the remainder of the Agreement in full force and effect and the parties shall, thereupon, seek to negotiate substitute provisions which are in conformity with the applicable laws.

General Savings Clause

If any portion of this Agreement may not be put into effect because of applicable Legislation, Executive Orders or Regulations, then such portions, or any part thereof, shall become effective at such time, in such amounts, and for such periods, as will be permitted by law at any time during the life of this Agreement and any extension thereof.

Whenever the masculine gender is used in this Agreement, the female gender is also intended.
